Subject: Voting Policy

Hi Kim,
Here is the information you had requested by April 4, 2003:

April 4, 2003

The Computer Science Department follows these requirements for voting:

1. Tenure faculty vote on promotion to Associate Professor, and In-Residence series as Associate Professor.
2. Ladder faculty vote: on new ladder appointments, all ranks and In-Residence series, all ranks.
3. Ladder faculty vote: on new appointments to all ranks of Adjunct series.
4. All regular Full Professors vote on promotion to Full Professor, In-Residence series as Full Professor, and Initial appointment in the rank of Professor, Above Scale.
5. By-Law 55 elected committee follows the minimum requirements such as merit increases all ranks, soft faculty appointments, and appointments without salary.
