RE: Departmental Bylaws

The Academic Senate periodically requests a copy of all UCLA departmental bylaws, and of particular importance to the Council on Academic Personnel is that they include a section addressing departmental faculty voting procedures as required by *Systemwide Senate Bylaw 55 Departmental Voting Rights* (<http://www.ucop.edu/senate/manual/blpart1.html#bl55>).

We ask that you please reply to this email by attaching an electronic copy of the complete set of your departmental bylaws. If not available electronically, they can be sent by hard copy to:
