Post Employment Benefits Taskforce -Feedback

The Academic Senate and the Faculty Welfare Committee encourages you to express your opinion on your post-retirement benefits, including health care coverage and pension plans. Last month many of you responded to the survey conducted by the Post Employment Benefits taskforce (PEB). If you didn't get a chance to respond to the survey or the survey did not allow you to fully express your views, you have another opportunity to express your concerns. You can provide additional written comments to the PEB Taskforce here: http://www.universityofcalifornia.edu/news/ucrpfuture/feedback.html
