October 5, 2010

Dear Colleagues,

I am writing to remind you of the upcoming UCLA Town Hall on the important subject of Post-Employment Benefits (PEB), to be held on Thursday, October 14, 2010 from 10:00 a.m. - 12:00 p.m. in the Royce Hall Auditorium. You may RSVP to this event by clicking on this sentence.

As you may recall from earlier messages, there are a number of proposed changes to UC's pension plan for current and future employees and to retiree health benefits that are outlined at the PEB Task Force Report website, which includes an Executive Summary, Report, Dissenting Statement, and Responses. It is expected that the UC Regents will discuss the various PEB proposal options at their November meeting and that they will vote on the proposed changes at their December meeting.

Before that time, it is critically important that all UC faculty members and emeriti become acquainted with the proposed changes to PEB and that they share their opinions on these changes. The UCLA PEB Town Hall is designed to be educational and to provide an opportunity for your questions to be answered. We are fortunate to have several UCLA speakers who will provide information to our faculty on the issues: Prof. David Lopez, Chair of the UCLA Council on Planning and Budget, Prof. Shane White, Chair of the UCLA Faculty Welfare Committee, and UCLA Vice Chancellor Steve Olsen.

Here are the relevant links to Town Hall information:

- UCLA PEB Town Hall website
- Tentative Town Hall Agenda
- Submit questions to be posed to panelists
- RSVP to this event

Please note that the Town Hall will also be webcast at the time of the event; see the PEB Town Hall website for details. Feedback on the proposed PEB changes may be provided to your Faculty Executive Committee, or at any time using the UC PEB feedback form.
We encourage all UCLA faculty and emeriti to learn about and provide opinions on these important Post-Employment Benefits issues.

Sincerely,

*Ann R. Karagozian*
UCLA Senate Chair
